New Hotel Partial Points of Reference – Tokyo & Prague

Dear Business Partner,

Addendum to the list of geo and non geo coded cities in the Amadeus Hotel search functionality of Partial Points of Reference, system is now enhanced with two more popular cities-Tokyo and Prague.

Benefits

- Easy search and display for properties around attractions in Tokyo and Prague obtaining closest options to the requested locations.
- Comprehensive list of categorized reference points
- Easy navigation between hotel list and availability display

The following illustrations will make it simple for you to use the feature.

- **Display and search properties by distance from a point of reference in Tokyo and Prague**
