Dear Travel Partner,

Amadeus is pleased to inform you of the latest enhancement in passenger search functionality.

**LP
transaction to
search
passenger list**

The LM transaction is now replaced with LP – which enables to display, queue or print flight/date passenger lists including many advanced search possibility.

Key Benefits -

- Comprehensive Search options:
- Option combination - logical OR
- Option combination - logical AND: LPC
- Negative search: LPN
- Sub lists: ability to filter through a list displayed on the terminal (up to five consecutive sublists)
- Dedicated entry for cancelled passengers: LX

Additional features -

- LP entry can retrieve lists that contain up to 999 passenger names per leg (this includes both individual and group names.
- In the LP lists, credit card information is always concealed from all users.

Following screenshots illustrate few examples of the new transaction : -
