

**AMADEUS TICKET CHANGER AVAILABLE FOR MORE AIRLINES**

In continuation to our previous flashes about the ATC Participating carriers, we are happy to share the addition of few more airlines, CX (Cathay Pacific Airways), KA (Dragon Air) and WY (Oman Air) in ATC (Amadeus Ticket Changer) that offers an automated solution to voluntary E-Ticket exchange. Thus, giving an advantage of re-pricing & re-issuing E-Tickets easily and efficiently.

**Re-Iterating Key Features:**

- The ATC entries (FXF/FXQ/FXO/FXE) can be used to re-issue E-Tickets on a wide range of carriers that file the fare penalty via ATPCO CAT 16 above the NOTE section in fare rules (in Penalty Section).
- The ATC entries automatically generate an applicable penalty fee into the TST as a tax code, Q surcharge, and additional amount etc., based on each participating local airline policy.
- At re-pricing, ATC Reissue will now compute the JN Tax automatically to apply on the change penalty.
