Enhancements to Seat Map Display Preferences

Dear Subscriber,

As a continuous process of improving the flexibility offered, Amadeus brings you the feature wherein the cryptic Seat Map can be displayed either horizontally or vertically, with or without legend according to user preferences.

Key Enhancements:

- User can display the Seat Map vertically or horizontally, along with or without the legend according to their choice of display.
- New cryptic seat map entries are now available to shuffle between the Seat Map display, that can change between vertical-horizontal, with-without legend parameter from PNR or from an availability display.
- The preferred choice of display is maintained till the user signs off or selects different parameter(s).

Existing Entries	New entries	
	From PNR Display	From Availability:
