Amadeus Check My Trip

We are pleased to introduce two new features to the existing itinerary view tool CheckMyTrip.Com, viz. **E-Ticket Information and Operational Flight Status Information.**

E-Ticket Tab -

This view, in addition to the already existing Itinerary-view, allows for more details to be shown for each individual e-Ticket that is present in the PNR being displayed in Check My Trip.

E-Ticket information can be accessed by clicking on the Tab next to **'Trip Summary'** at the top of the Itinerary-page.

Flight Status Information -

In the **Itinerary-display**, there will be a link to current **Operational Flight Status** information. When clicked, a pop-up window will open, showing current Flight Status if such is available at that time. The data shown corresponds to the cryptic command 'DO'

Main benefits -

Passengers will have the access to find

- ➔ More details on E-Ticket information without Fare
- ➔ Operational Flight information along with current flight status when such is available

Please find below the screen shots describing the new enhancement:-

New Tab to display E-Ticket Receipt (ITR without Fare Details)

The screenshot shows the Amadeus 'check my trip' interface. At the top right, the 'amadeus check my trip' logo is visible. Below the logo, there are two tabs: 'trip summary' and 'e-ticket receipt'. The 'e-ticket receipt' tab is selected, and an arrow points to it from above. Underneath the tabs, there is a section titled 'electronic ticket receipt' with a sub-header 'e-ticket receipt'. This section includes links for 'e-mail to a friend', 'download to calendar', and 'print page'. The main content area shows the 'Booking reservation number: YMDZOZ' and a note: 'We recommend you make a note of the booking reservation number or [print](#) this page.' Below this is the 'traveller information' section, which lists 'Mr Jamie Brooks' and a link to 'view traveller details'. A note states: '* Your frequent traveller card(s) have been sent to the providers with your travel reservation.' The next section is 'your flight selection', which includes a disclaimer: 'Please note that detailed e-ticket information might not be available for some or all of the displayed lines; please contact your Travel Agent for further information.' It lists two documents: 'Document 125-3944269328: London - London Jamie Brooks' and 'Document 125-3943850951: London - London Jamie Brooks', each with a 'view details print mail' link. At the bottom, there is a 'Legal Notice' section with the following text: 'NOTICE CARRIAGE AND OTHER SERVICES PROVIDED BY THE CARRIER ARE SUBJECT TO CONDITIONS OF CARRIAGE, WHICH ARE HEREBY INCORPORATED BY REFERENCE. THESE CONDITIONS MAY BE OBTAINED FROM THE ISSUING CARRIER. THE ITINERARY/RECEIPT CONSTITUTES THE 'PASSENGER TICKET' FOR THE PURPOSES OF ARTICLE 3 OF THE WARSAW CONVENTION, EXCEPT WHERE THE CARRIER DELIVERS TO THE PASSENGER ANOTHER DOCUMENT COMPLYING WITH THE REQUIREMENTS OF ARTICLE 3.'
