Amadeus makes Indian Rail Content accessible through Amadeus Selling Platform !!!

Dear Travel Partner,

Amadeus is pleased to introduce BirdRes Rail Smart Tab, which allows the Travel Consultants to access the BirdRes Rail website instantly, in one click on the Amadeus Selling Platform.

This is the first time that Indian Rail content has been made accessible through a GDS.

Travel Agents can now book the Rail tickets by simply clicking on the Amadeus Smart Tab !!!

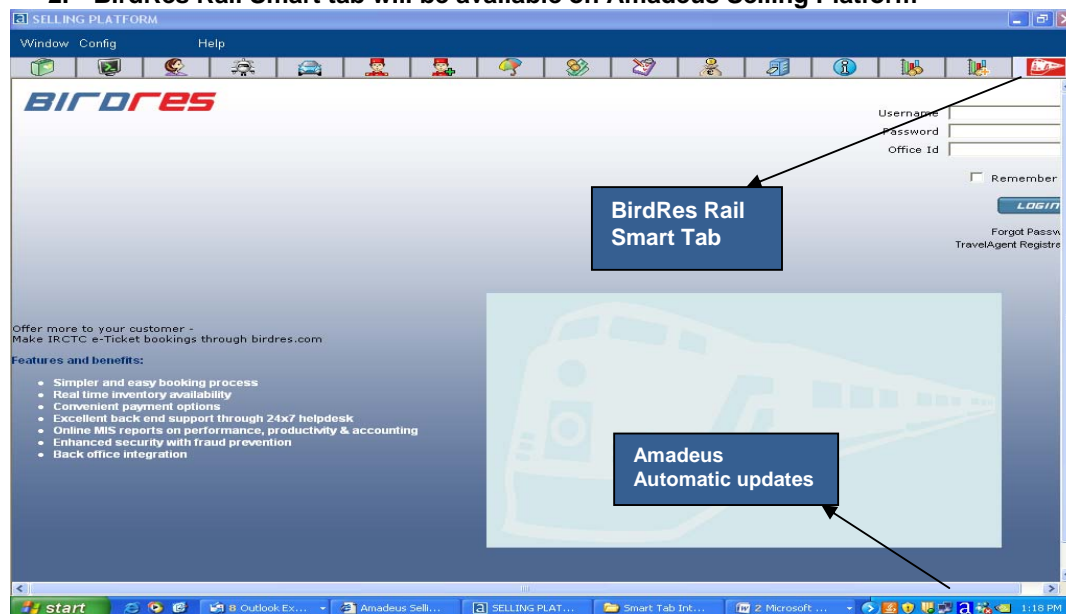

With BirdRes Rail Smart Tab, there is no need for the Amadeus users to launch another browser session and enter the URL address.

Key Features & Highlights

- Access to BirdRes Rail while working on Amadeus Selling Platform
- No need to separately launch the website – www.birdres.com
- No extra installation / configuration required
- Easy and Quick to book rail tickets
- Improves efficiency
- Provides ease of access to Indian Rail Content

Single Step

1. Click on Amadeus Automatic Updates
2. BirdRes Rail Smart tab will be available on Amadeus Selling Platform
