Digital Passenger Declaration

What is new, what is different – update 12 May 2022

Summary of changes

Element	Description of Change	Effective Date
Icons added to summary screen outcomes	Icons have been added to the DPD summary screen to accompany the health summary outcomes.	12 May
Health declaration and COVID-19 vaccination appear separately on summary screen	An additional line will now appear within the health summary outcome for COVID-19 vaccination.	12 May

Icons on summary screen

From

- The previous summary screen outcomes only includes text and will display a “Complete; Incomplete, or; Confirmation required at check-in” outcome.

To

- The summary screen now has icons to accompany the below outcomes:
 - exclamation mark (!) for incomplete or confirmation required at check-in
 - tick (✓) for complete
- A screenshot depicting the icons of the new summary screen is shown on the right.
