**QUOTE** (from the guidelines):

There are Countries which have agreement with India on mutual recognition of vaccination certificates of Nationally recognized or WHO recognised vaccines. Similarly, there are Countries which presently do not have such an agreement with India, but they exempt Indian citizens fully vaccinated with Nationally recognised or WHO recognised vaccines.

On the basis of reciprocity, the travellers from only such Countries which provide quarantine-free entry to Indians will be allowed for relaxation under Certificate of completing full primary vaccination schedule of COVID-19 vaccination.

The listing of such Countries is available on website of Ministry of Health & Family Welfare (mohfw.gov.in) and the link of the same will be available at website of Ministry of External Affairs and Air Suvidha Portal.

This is also a dynamic list and will be updated from time to time. The travellers from such countries only are considered for allowing entry based on vaccination certificate & shall upload their fully vaccinate certificate on the Air Suvidha portal.
