

COVID PROTOCOLS - BIMAN BANGLADESH AIRLINES

Entry/Exit of passengers of all types of international flights:

2.1 Vaccinated with Covid-19 vaccine:

Travelers completed a full dose (single/double dose as applicable for a full dose) of WHO approved Covid-19 **vaccine** can enter Bangladesh **with the official proof of certification of vaccination** and **no RT PCR-based** COVID-19 negative certificate is required.

2.2 Not vaccinated with Covid-19 vaccine:

(a) Travelers without having a full dose (single/double dose as applicable for a full dose) of the Covid-19 vaccine can enter Bangladesh if they possess **RT PCR based COVID-19 negative certificate** done within 72 hours of departure time.

(b) No RT PCR negative certificate is required for incoming **passengers below 12 years old**. However, when travelling with their family, they will have to observe the same health formalities that will apply to their family members on arrival.

2.3 If COVID-19 symptoms are identified on arrival:

Irrespective of vaccinated or not vaccinated, if any COVID-19 symptoms are detected in a traveler on arrival, he/she will be subject to the RT PCR/Antigen test by the health authority. If the RT PCR/ Antigen test result is positive, he/she will be sent to isolation at government-nominated facility or Hotel at his/her own expenses. Further RT PCR/Antigen test will be carried out after 7 (seven) days and he/she will be released when the test result is negative. Quarantine shall be ensured by the respective government agency(s) in charge.

2.4 Outgoing passengers:

Outgoing passengers shall follow the latest restrictions/ requirements imposed by the **transit/destination country(s) or by the Airlines**. Airlines concerned shall arrange to keep their passengers well informed about the Airline's requirements and the requirements or formalities of origin/transit/destination country(s) well before their travel.

3. Filling up of online Health Declaration Form (HDF):

Incoming passengers to Bangladesh shall observe the following procedures as required by the Director General of Health Services:

- (a) Following the link <http://healthdeclaration.dghs.gov.bd> , an online Health Declaration Form (HDF) shall be filled up by each passenger within 3 (Three) days of their departure for Bangladesh. The filled-up form, which has QR code, can be downloaded and printed.
- (b) Transit passengers leaving the transit Airport, shall carry a new HDF filled-up before next check-in at the transit Airport.
- (c) Airlines shall ensure before boarding that the passenger possesses the HDF with QR Code.
- (d) Passengers will show the filled-up HDF with QR Code (Soft/Printed copy) at the immigration on arrival.
- (e) Passengers having Covid-19 symptoms shall contact the health desk before proceeding to the Immigration.
