

Dear Trade Partner,

From 7 August, Etihad Airways will launch several flights from 5 Indian gateways namely New Delhi, Thiruvananthapuram, Chennai, Kochi & Bengaluru.

From 10 August, flights will be added from Ahmedabad, Hyderabad & Mumbai

The following guests will be eligible to fly to Abu Dhabi:

- UAE resident who has been fully vaccinated with both doses administered in the UAE at least 14 days before travelling
- Medical personnel, education sector workers or students studying in the UAE
- Passengers travelling for humanitarian purpose
- Medical tourists
- Federal government agency workers

In order to travel, all guests must have:

- ICA approval (including submission of vaccination certificate where required). [Read more](#)
- A negative PCR test taken a maximum of 48 hours before the first flight departure time. The test must be taken at an approved lab in the origin city and contain a QR code for verification.
- A Rapid PCR test taken within four hours of boarding at the point of origin.
- A PCR test on arrival in the UAE.

Upon arrival in Abu Dhabi, all guests will be required to quarantine for 10 days and wear a medically approved wristband for the duration of their quarantine. This will be provided by the authorities at Abu Dhabi airport after clearing immigration. All guests must also take a PCR test on day four and day eight.
