

COVID-19 global wellness insurance cover

Dear Trade Partner,

We care about keeping your customers safe at every step of their journey. That's why from today we've introduced COVID-19 insurance cover on all bookings, launched with our partner AXA - just one of the ways we promise to keep everyone protected with Etihad Wellness.

Wherever your guests are flying to, they can travel there with confidence knowing that they'll be covered should they be diagnosed with COVID-19 whilst they're away. We'll take care of their medical expenses and quarantine costs, giving them extra peace of mind as they travel the world.

Cover starts from the date of the first flight and is valid worldwide for 31 days, for travel until 31 December 2020. Full information can be found on [etihadhub.com](https://www.etihadhub.com).

Let's look forward to flying together. If you have any questions or suggestions, please feel free to get in touch.

Kind regards
