

Flexible travel planning – with rebookable fares

To ensure that customers can continue to plan their travels as carefree as possible, **all fares of Austrian Airlines, Brussels Airlines, Lufthansa, SWISS, Air Dolomiti and Eurowings Discover will remain rebookable.**

The following applies to bookings starting 2 August 2021 (date of ticket issue):

- **All fares** (except Economy Light and Business Saver) **can be rebooked as often as necessary and without a change fee.** Both the routing (including origin and destination*) and the travel date can be adapted to the new plans
- The attractive **Economy Light fare** without carry-on baggage only can be rebooked for a fee starting from EUR 35 (flights within Europe) or EUR 75 / CHF 115 / USD 90 (intercontinental flights)**. The travel date and the routing can be changed. A change of origin or destination of the journey is not permitted
- For the rebooking of **the Business Saver fare** on flights within Europe, a rebooking fee starting from EUR 35 applies. The travel date and the routing can be changed. A change of origin or destination of the journey is not permitted

This rebooking flexibility also applies to the Economy Class intercontinental fare concept which was introduced on 1 June 2021 on selected routes between Europe and Africa, Asia, the Middle East, North, Central and South America. The fare concept will now be enhanced by the more flexible rebooking conditions and, at the same time, extended to First Class, Business Class and Premium Economy Class.

Starting 2 August 2021 (date of ticket issue), up to four fare options ("Fare Families") with different cancellation conditions will be available in all booking classes on the affected routes. This way you can offer your customers maximum flexibility at an affordable price, including a money-back guarantee, even in the lowest booking classes.

The **GDS fare options (“Fare Families”)** on intercontinental flights at-a-glance:

- **LIGHT / Light:** non-refundable, changeable for a fee
- **SAVER / Best Buy:** non-refundable, changeable free of charge
- **BASE / Restricted:** refundable for a fee, changeable free of charge
- **FLEX / Unrestricted:** refundable free of charge, changeable free of charge

We want our customers to leave nothing to chance and to be able to plan their vacation and business trips with confidence. No matter how often circumstances may change – with our rebookable fares, travelers can flexibly adjust their plans at any time.

Please note: All Eurowings fares can be rebooked as often as necessary and without a change fee until further notice. Good for you to know: It is also possible to rebook to another destination within Europe.
