

## Prepare for take-off from India to Hong Kong

Cathay Pacific is resuming flights from Mumbai and Delhi effective May 2022. Ensure eligible passengers with their destination as Hong Kong are ready with these seven essential steps.

1. Negative RT-PCR test within 48 hours of the scheduled departure flight
2. ICMR laboratory accredited document
3. Mandatory on-arrival COVID-19 testing

4. Valid travel document
5. Cathay Pacific travel declaration form
6. Confirmation of a room reservation at a designated quarantine hotel
7. Pre-verify your documents through Fly Ready, Click [here](#) to know more.

Book and travel with confidence. Click [here](#) for complete details.

\*Information shared is only a guideline, please refer to the government website of the destination for latest updates.
