

31<sup>st</sup> March 2022

**Update - 26**

**TRADE CIRCULAR – Insurance Mandate to KSA**

**Dear India Trade Partners,**

Please be informed that all passengers traveling to the Kingdom of Saudi Arabia (KSA) on Visit Visa must produce a copy of medical insurance policy at check-in desk as per details below.

- **Visit visa** holders are required to have insurance to cover cost of corona (covid-19) infection treatment during their stay in KSA.
- All Passengers are allowed to enter KSA from authorized countries with all Type of visas subject they've a valid Medical insurance covering Covid 19 during their stay
- Non vaccinated Passenger can enter to KSA if coming from authorized countries and having a Medical Insurance covering Covid
- Submission of Negative PCR test or a rapid antigen test before coming to KSA is not required.
- Institutional quarantine and home quarantine are no longer required for passengers coming to KSA

Please disseminate this information to all your team members, passengers and clients to avoid any inconvenience.
