Dear Valued Partner,

Date: 25 March, 2020

Greetings from China Eastern Airlines (MU) !!!

Please be informed that the travel agents are required to enter passenger's personal contact information or e-mail id in the PNR so that airline can contact passengers in the event of flight irregularities.

If the passenger contact information is not updated in the PNR then it will be the responsibility of the travel agent to inform the passenger about flight cancellation, planned flight changes or flight delays.

Kindly inform all concerned.

Thank you for your understanding and support!
