

Dear Travel Partner,

According to the decision of the Authorities of the Russian Federation, from 08 Dec' 2021 the following changes are made to the procedure of entry to the Russian Federation of foreign citizens and stateless persons:

- To check-in and board an international flight, foreign citizens and stateless persons (including children and infants of all ages) travelling to the airports of the Russian Federation, including passengers in transit via airports in the Russian Federation, must provide a medical document (certificate), with a negative Covid-19 result made by the PCR method in Russian or English. The test must have been taken no earlier than **two** calendar days prior to arrival in the Russian Federation.

We would also like to inform you that the actual requirements for the PCR test, in respect to entry to the Russian Federation of foreign citizens and stateless persons, has been updated in the TIMATIC.

Covid-19 latest travel updates can also be checked on our website, link as below –
